## **Media Advisory**

The agenda for the April 2, 2008 meeting of the Rules, Open Government and Intergovernmental Relations Committee of the San Diego City Council has three items:

- A report from the Intergovernmental Relations Department regarding statewide Proposition 98 and Proposition 99 for the June 2008 ballot. Both propositions concern changing state law regarding eminent domain. Proposition 98 is sponsored by the Howard Jarvis Taxpayers Association and Proposition 99 is sponsored by the California League of Cities.
- A presentation from Common Cause regarding the California Voters First Redistricting Initiative for the November 2008 ballot. They propose creating a Citizens Redistricting Commission of 14 people that would reconfigure the California State Senate, California State Assembly and California Board of Equalization districts that follows the criteria that prioritize the United States Constitution, the Voting Rights Act, counties, cities and communities in California.
- A discussion regarding official record retention for San Diego City Council Closed Session meetings. The discussion will include asking the City Clerk to research and develop procedures for assigning the City Clerk's office with responsibility for transcribing and maintaining these records in order to be consistent with the City Charter.

The Rules Committee will meet tomorrow, Wednesday, April 2, 2008. The Rules, Open Government, and Intergovernmental Relations Committee meets one to two Wednesdays per month at 9:00 a.m. in the City Council Committee Room, 12th Floor, City Administration Building located at 202 C Street in downtown San Diego.
